May 2018

## WHAT IS WHATSAPP?

WhatsApp is a popular instant messaging app, which lets you send messages, images and videos to friends. You can have 1-1 conversations as well as group chats.

The app is being increasingly used within hockey as a useful communication tool. This guidance recognises good practice for using the app and highlights some risks when using it with u18's.

## DO'S AND DON'TS OF USING WHATSAPP

Do's	Don'ts
<ul> <li>Have a coach set the group up (allowing admin rights)</li> <li>Tell athletes what the app is/isn't to be used for</li> <li>Inform parents of its intended use</li> <li>Get the team to agree how the app is to be used i.e. no pictures, only hockey orientated content</li> <li>Keep language appropriate</li> </ul>	<ul> <li>Assume everyone is on WhatsApp</li> <li>Use the app for private messaging</li> <li>Use the app to replace formal feedback</li> </ul>

# **CONCERNS FOR USING WHATSAPP**

**Individuals having access to everyone's number.** In some environments this may allow individuals to contact each other in a negative way e.g. bullying in a performance environment.

**Individuals not using WhatsApp.** If a member of the team doesn't use the app, will they miss out on important information?

### **UPDATE**
